87%

WORK EXPERIENCE

AI & Data Science Intern • XYlofy AI

Jun 2026 – Present | Remote

- Worked on real-world AI & data science projects, collaborating with team members and gaining hands-on experience with industry-relevant technologies.
- Attended weekly mentor-led sessions, completed assigned tasks, and submitted regular progress updates to support project delivery.

INDUSTRIAL EXPOSURE

Industrial Trainee • T-Hub, T-Works, L&T Metro, BSNL

2025 | Hyderabad / Pune

- Observed startup ecosystems, prototyping labs, infrastructure operations, and telecom networks across leading industry organizations.

WORKSHOPS & TRAINING

I Medita – Industry Training & Skill Development | AWS Cloud & Networking

- Gained hands-on exposure to AWS cloud services, network configuration, and security using AWS platform and Cisco Packet Tracer.
- Attended Entrepreneurship session by Milind Datar (Founder, CaneBot) — developed analytical and business skills through expert interactions.
